- Strawberry 192kcal
- Trio of sorbet with fresh berries 283kcal V

£12.50 for 2 courses or £15.50 for 3 courses

WHAT CAN YOU FIND?

There's lots of things hiding in our colouring-in sheet.
Can you help us find them?

Can you find all of the birds and colour them all in?
Can you find the sun and the moon? Can you find the
rocket ship on its way to outer space? And can you
find all the tasty things to eat, like a pizza slice, carrot
and ice cream cone, before your food arrives?

V = vegetarian | VG = vegan | GF = gluten free

Food allergies and intolerances: we welcome enquiries from guests who wish to
know whether dishes contain particular ingredients.

Please note: before placing your order, please inform a member of the team if
anyone in your party has a food allergy.

Prices include VAT at 20%.

MAKE YOUR OWN ORIGAMI BIRD

Before you get started, ask an adult to help you make your bird.

Step 1: Tear off the yellow square and fold it in half diagonally to make an upside down triangle.

Step 2: Fold the flat top halfway down the triangle, then turn the paper over.

Step 3: Take the bottom corner and fold it up to make two triangles, joined at the flat edge.

Step 4: Then fold the left side over to the right.

Step 5: Now fold the same flap back to make a wing, and fold the other wing back too.

Step 6: Almost done! Just push the centre of the head in and flatten to make you bird's beak.
